FY2020 Catalyzing Impact Grant Program Guidelines
Catalyzing Impact Grant Program Guidelines

Purpose

The purpose of the Catalyzing Impact Grant Program is to encourage a breadth of programming through arts and cultural heritage projects that support the goals of ArtsWave’s Blueprint for Collective Action.

Who May Apply

ArtsWave believes that strong arts create strong communities and actively seeks to promote access, equity, and inclusiveness in its grantmaking. To be eligible for the FY2020 Catalyzing Impact Grant Program, an organization must meet all the following requirements:

- Have a 501(c)3 tax status or be non-profit in nature.
- Be based in the Cincinnati-Middletown, OH-KY-IN MSA, which includes the following counties: Brown, Butler, Clermont, Hamilton, and Warren Counties in Ohio; Boone, Bracken, Campbell, Gallatin, Grant, Kenton, and Pendleton Counties in Kentucky; and Dearborn, Ohio, and Union Counties in Indiana.
- Have not received a Sustaining Impact or Capital Grant in FY2019.
- Does not currently have an active Catalyzing Impact Grant or Capital Grant with ArtsWave and has completed successfully all previous Catalyzing Impact or Capital grant requirements.
- Embody ArtsWave’s commitment to access, equity, and inclusiveness.

Organizations with missions that are not directly concerned with arts or cultural heritage are encouraged to apply for support of arts or cultural heritage programming.

NOTE: First time applicants must contact ArtsWave to schedule an introductory phone call at least one week prior to the application deadline. Please contact Krista Bondi at 513-632-0103 or Krista.Bondi@ArtsWave.org.

Eligible Requests

The Catalyzing Impact Grant Program provides funding for arts or cultural heritage projects that support one of the five goals of ArtsWave’s Blueprint for Collective Action. A project is defined as a specific, connected set of activities with a start date, end date, and explicit goals and objectives. Projects with multiple components and/or event dates must show a cohesive theme that ties the entire project together.

Eligible project requests may include a new project (i.e. a brand-new project that has not occurred before and/or received ArtsWave funding before), or an existing project that
demonstrates an expansion of impact (this may also include projects that have not received ArtsWave funding before).

Receiving a Catalyzing Impact grant is a competitive process. Organizations proposing existing projects that have been funded through the Catalyzing Impact program in previous fiscal years should be prepared to demonstrate how the proposed work is expanding impact. Examples may include:

- serves a new or expanded geography (e.g., neighborhood, municipality, or county);
- serves a new or expanded audience (e.g., age or culturally specific) or
- deepens impact within an existing project (e.g., expanded themes, content, or timeframe)

Catalyzing Impact Grants cannot be requested for any of the following:

- General operating support
- Fundraisers
- Re-granting
- Advancing or inhibiting a religious ideology
- Advocacy of specific political causes or candidates

ArtsWave will not award grant support to organizations that, in their constitution, bylaws, or practices, discriminate against a person or group because of age, race, national origin, ethnicity, gender, disability, sexual orientation, political affiliation, or religious belief. In doing so, we seek to promote respect for all people.

Organizations may only submit one application per deadline. Organizations may only receive one Catalyzing Impact Grant in a single fiscal year.

**Grant Amounts**

Grant awards will be made up to $10,000 or 50% of the total expenses for the proposed project.

**Match Requirements**

Grants received through the Catalyzing Impact Grant Program are matching grants through which applicants are expected to leverage ArtsWave funds to secure support from outside sources. The grant program requires a 1:1 match by the applicant. Up to 50% of your organization’s matching dollars can come from in-kind contributions. Matching funds do not need to be secured at the time of application, but documentation of the source(s) of matching funds will be required in the final report. For purposes of determining the value, volunteer time should be calculated at $24.14 per hour (Independent Sector, 2018).

**Application Instructions**

All application materials must be submitted via Submittable, ArtsWave’s online grantmaking system. We strongly recommend that you begin your online application well before the due
date to familiarize yourself with the online grantmaking system and to address any technical concerns. While completing your application, remember these tips:

- Be brief, clear and direct, focusing on what is most important.
- Review panelists may have little or no prior knowledge of your organization. Create a stronger application by:
  - not assuming reviewers have extensive knowledge of all artistic disciplines;
  - explaining acronyms; and
  - explaining the characteristics of your community or audience as needed.
- We recommend that you prepare your responses offline in a word processing program and then copy and paste them into the appropriate sections of the online application.
- Limit the use of bullets and other formatting in text fields.
- Add Impact@ArtsWave.org to your safe senders list to ensure that you receive all communications from the online grantmaking system.
- Use one of the following compatible browsers: Chrome® v.22+, Firefox® version v.27+, Internet Explorer® v.8-10 (if enabled), Internet Explorer v.11, Safari® v.7+, or Edge®.
