# Connect with others.

**ArtsWave Pride:** A group that welcomes and connects LGBTQIA+ individuals and allies. Members receive invitations to special arts events. A portion of your increased gift will directly support Pride-centric programming.

**Young Professionals:** Members are committed to creating an engaged YP community and making a positive impact in the region. A portion of your gift will directly fund YP-focused arts grants.

**Circle of African American Leaders for the Arts:** Members are leadership donors who enjoy opportunities to connect with each other and the arts including Flow, an African American Arts Experience. A portion of your gift will directly fund Black arts initiatives.

**Women's Leadership Roundtable:** Members are leadership donors who create a powerful network to impact and engage with the region's arts, including the POWER OF HER initiative and more.

# Forward the future.

Greater Cincinnati is transforming before our eyes. Our arts are at the heart of this change. World-class concerts, theater, murals and events draw crowds and national press. When you give to ArtsWave, the engine for the arts, you **forward the future** for generations to come.

BLINK®, illuminated by ArtsWave, drew as many as 1.5 million people and national attention to Greater Cincinnati, furthering our reputation and ability to compete globally.

There are four times more free and accessible neighborhood arts events than five years ago, thanks to your gift.

Through your gift, local students benefit from 410,000+ arts experiences. Four of five regional educators agree the arts are a key to developing 21<sup>st</sup> century skills.

Flow, featuring exciting professional African American artists from across the country, and POWER OF HER, showcasing women's artistic achievements, will highlight the inclusive nature of the arts in 2020.
